Week 2 — “Would anybody like an ice-cream?” - this is currently what we can hear our young Reception children calling out to their friends as they role play at being beside the seaside this morning. What a lovely cheerful sound for a Friday morning.

Lime class children have been making good progress since returning to school and we have some fabulous spelling achievements. Year 6 children are putting in every effort during their last half term at primary school.

Oak class children have been busy working on their flower vases in DT. There are some beautiful flowers being created. Well done also to our Oak class swimmers who are doing very well in their lessons.

Year 6 Hoodies

On Monday afternoon we had a wonderful assembly to officially present our Year 6 children with their Leaving Hoodies. They were all very pleased to receive their hoodie and no doubt you will see them walking in and out of school wearing them for the rest of the summer term! What a celebration it was. We had music playing and the children were dancing (in their bubbles!) This made the event a memorable one for everyone, particularly our Year 6 children. A big thank you to PTFA who have kindly funded the cost of the hoodies for the Year 6 children.

Collecting children at the end of a session

Monday to Wednesday please use the parents room door on the left hand side of the building. Thursdays please come to the main Reception door where the after-school club supervisor will greet you.

Parents/carers—please do not come into the school building. If you are going to be early or late for pick up then please call the school telephone number as we now have a specific handset for Breakfast Club and After-School Club.
