Thank You

We have a couple of thank you messages to give this week:

Firstly we would like to say a big thank you to the team at Go Green Managed Services Ltd for the donation of furniture and equipment which we received back at the end of January. This company offers a furniture management programme, and for many businesses it means negating the need to buy new furniture. The donation of tables, chairs and cabinets has saved the school £££s and we are happy to be involved in the re-use and recycle programme. We were also very lucky to have two of our wonderful parents kindly offer to pick up and deliver the furniture to school so another big thank you goes to **Julia and Paul Hughes** for giving up your time to help school.

Thank you also to **Carla and Stuart Bruckshaw** for your bag full of donated cleaning supplies for school. Also to anyone who has/will be donating additional cleaning supplies (anti-bacterial wipes, sprays, hand gel etc.) to school. Now that

School Dinners

This week we have been able to once again offer hot school dinners, alongside school packed lunches, to those children who request them. Whilst things are not back to how they were offered prior to Covid-19, we are happy with how the arrangements in place have run this week. Thank you to Mrs Fradley for collecting the lunches from Albrighton Primary School.

Parents - please discuss the school dinner options with your child so that they are sure of what they need to order when they are asked in school. Alternatively please email the school with your child's choice for the week and we will note the choices on the weekly dinner register.

Football Club

It is great to see that all of the spaces available for our after-school football club with Mr Beddall have been taken up. The club is now full.

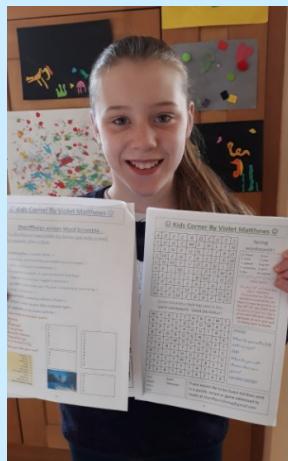

If your child is attending the football club, please can you ensure that payment for the 6 weeks is paid in full via Shropshire Council website 'Pay It' tab. Thank you.

Sheriffhales Pupil Achievements

We have been asked by Barbara Barlow who runs the Parish magazine to acknowledge the hard work and dedication of **Violet M** (Yr6) for her voluntary work in setting up a regular page in the magazine. Barbara said “*Violet M wrote into the magazine asking if she could include a 'Kids Corner' and it's been wonderful having this page for the last 4 months, and she's even included a 'Guest Kid' section this month, where her friend Arthur provided a Word Search. Well done Violet, it's been a great success*”.

This is a wonderful thing to volunteer to do Violet and great community involvement.

We always enjoy hearing about former pupils of Sheriffhales and their achievements since leaving primary school. This week we are delighted to share with you news about former pupil **Matilda Hedge**, who was nominated by the Head of Professional Studies at her secondary school for the High Sheriff of Shropshire's Outstanding Young Citizens Award, for the wonderful contribution to charity fundraising, school and local community work she does. Matilda was delighted to reach the finals, which were held virtually last night. There were hundreds of nominations and some amazing work and acts of kindness shown by many young people throughout Shropshire and Telford & Wrekin and although Matilda did not win overall, what an amazing achievement to get to the finals. Congratulations Matilda!
